LAYER 1: VISION, IDENTITY & CORE OPERATING RULES		Philosophy: Systems Over Motivation
CORE OPERATING PRINCIPLES		12-MONTH IDENTITY & CONSTRAINTS MATRIX
1. Consistency over intensity: Daily 1% actions compound over time. 2. Progress over perfection: Flawless execution is a trap. Track reality. 3. Systems over motivation: Motivation fails; routines enforce behavior. 4. Track reality, not intentions: Record exact numbers, not desires. 5. Protect health & sleep: Non-negotiable foundation for sales & income. 6. Single-habit focus: Never attempt 10 habit changes simultaneously. 7. No self-deception: Review failures ruthlessly without shame. 8. Income-producing focus: Prioritize sales mastery over low-leverage tasks.		12-Month Target Identity: Elite B2B Sales Performer, Financially Disciplined, Physical Health Stable, Content Builder. Primary Bottlenecks: 3-4 hrs/day lost to scrolling & gaming. - Cigarette count (6+/day) & THC drag. - Restricted monthly budget (█20k base). Primary Opportunities: - High-commission B2B deals at Starz AI. - AI automation skills (no Python required). - Faceless YouTube side-income engine.
